Below is a sample script you can use when calling your elected representatives in support of libraries. Please feel free to personalize these comments.

Hello, my name is _____ and I live in District
_____.

I believe strongly in the importance of public libraries and want to thank you for your past support for our Sarasota libraries. I urge you to please consider increasing the funding for our libraries so they can continue to meet the needs of our growing community and can keep pace with inflation and the rising costs of books and materials.

Professional, well-resourced libraries are essential for our quality of life in Sarasota. Thank you for considering my request.
