Subject Line: I support strong Sarasota libraries!

Thank you for your support of Sarasota County's public libraries. Libraries play a vital role in creating a strong community where education and information is available to everyone. They are community spaces where residents from all walks of life come together.

It is critical that libraries receive the funding they need to serve our ever-growing population. As a taxpayer, libraries are very important to me and I encourage you to allocate sufficient resources to ensure our library system continues to be the best in the state.

Strong libraries aren't a luxury - they are a necessity for a thriving community.

Sincerely,

[YOUR NAME]
